

The Speed Bonus

The ROA has joined forces with Goodwood Racecourse, to present The Speed Bonus, which is hoped will reach £100,000, as part of an innovative raceday planned on Sunday, 13 September.

The Sussex course will host an eight-race card consisting of eight handicaps, including a nursery, run over distances ranging from five furlongs to two miles.

The Speed Bonus will be awarded to connections of the winning horse with the fastest time. The Bonus will be based on registration fees amounting to £100,000. In the event of less than £50,000 being collected, the ROA and Goodwood will reserve the right to withdraw the scheme and return registration payments. Speed calculations will be based on the Racing Post standard time for the race distance.

The Speed Bonus will only be open to horses owned by ROA members who have paid a registration fee. The winning owner will receive 80% and prize-money will be split with 10% going to the trainer and 5% going to the winning jockey and stable.

Registration dates and charges:

ROA members need only register ONCE to be eligible for a chance of winning the Speed Bonus. The options are:
