

A Simple Guide to Entering the Lycetts Awards

The 2022 Lycetts Leadership & Team Champions Awards have launched, and you have until Friday 8 April to get your entries in.

Whether you have entered the awards previously or are new to them, we wanted to reach out to encourage you to get involved this year. The Lycetts Awards present a great opportunity to showcase your yard to potential staff, owners and sponsors.

- Achieve an industry-recognised accreditation to show employees and clients that your yard operates high standards of staff management and modern employment practices.
- Qualify your yard for promotion through the Racing Groom website.
- Give your business a chance of winning great prizes funded by our generous sponsors - Lycetts Insurance Brokers.

The Lycetts Awards have been designed to recognise the great work our employers are doing in staff and business management. However, they also serve as a platform to inform on best practices around employment processes and building resilient businesses. There are some fantastic teams and employers out there who we want to recognise and celebrate.

We hope you'll consider getting involved this year.
