

Racing Staff who want to enter the Team Champions Awards

If your team want to enter the Lycetts Team Champions Awards here's how;

Gather your team together and ask them why they feel their team should win £4,000 and the Lycetts Team Champions Award?

Ask them to think about:

- Why are they a high performing team?
- How do they support each other and ensure high morale?
- How do they work together as a team in a diverse and inclusive way?
- How can they contribute to the submission?

Read the Judging criteria carefully. Last year shortlisted teams excelled in all areas including;

- a) opportunities for staff development
- b) diversity within the team

Help is on hand
