

Dear All Racehorse Owners, Trainers and Jockeys,

As you will appreciate, this is a time of heightened security for all racecourses, following the recent protest activity at a number of racecourses, and the statements by protesters of continued activity over the summer.

We ask you all to support racecourses with the security arrangements they are putting in place, by following the agreed protocols with regard to complimentary badges allocated to you by racecourses to ensure they are not inadvertently used by protesters. Please ensure that any complimentary badges are allocated in advance via the PASS System and are only used by yourself and your guests; do not offer these to third parties who are unknown to you either via personal requests or via social media.

If you are unable to allocate any badges allocated to you in advance using the PASS System, please collect these personally from the PASS entrance on a raceday.

Should you require additional badges to the number allocated to you, please contact the relevant racecourse directly in advance. Do not arrange reallocation of badges from another owner, trainer or jockey.

To support their security protocols, any tickets or badges that are found to have been allocated to unknown third parties, including those offered on social media, will be voided.

Thank you for your support in this matter, which is greatly appreciated by all of the racecourses.

The Racecourse Association Ltd
