YORK RACECOURSE ARRANGEMENTS FOR TRAINERS AND ASSISTANTS WHEN RACING BEHIND CLOSED DOORS

We are delighted to welcome you back to the Knavesmire, albeit behind closed doors. We do hope your season has been going well since the resumption of racing in the UK and we look forward to seeing you.

You will all be familiar with the screening protocols by now, so we just want to let you know the parking and layout of the green zone areas at York in advance of your arrival on raceday.

- The trainers' car park is in Car Park D off Campleshon Road. This is the car park behind the grandstands in the shadow of Terry's Clocktower. Satnav postcode YO23 1EX.
- The trainers' entrance is by the Sir Henry Cecil Gates, which you will access via the hand gate in the corner of D Car Park and across Racecourse Road following the directional markers. This is also your exit route at the end of the day. If you wish to walk the course you should access it via the horse gate onto the track from the Parade Ring.
- While we are not currently able to cater on course, we will have an open fridge with a packed lunch and a bottle of water available for you to pick up once clearing the screening and accreditation process.
- Tables and seating can be found in both the lawn adjacent to the Frankel statue and the neighbouring Moët Bar. There will also be a mobile coffee unit on site with complimentary tea and coffee with speciality coffees, paninis and muffins available for purchase.
- We have tried to keep the horsemen's areas as "normal" as possible whilst meeting social distancing requirements. The Weighing Room will be in use with an overflow changing room in the Parade Ring Restaurant above. Any colours brought by trainers to be placed in the appropriately numbered bin outside the Weighing Room veranda, to be collected by the valets.
- As you know, the Weighing Room itself is not accessible. Saddle transfer will be on the veranda outside the Weighing Room.
- All horses are to be saddled in the saddling boxes in the pre-parade ring.
- The winner and second placed horses only to return to the Winners Enclosure after the race. The remaining horses to be unsaddled on the track.

- You will be able to watch your race from inside the Parade Ring on the screen on the end of the Melrose Stand or from the front of the Ebor Stand Lawn (although there is not a giant screen). There is also an outside screen on the side of the Weighing Room for viewing from the Frankel Lawn, and there will be tv screens inside the Moët Bar.
- As you know, unfortunately Government protocols do not allow your owners to access the Green Zone or inside of the Parade Ring. The owners are in the normal Owners Club in the Melrose Stand and trackside lawn and have free access outside of the Parade Ring. There is owner/trainer “debrief zone” by the thatched head-on box just outside the Parade Ring, should you wish to use it.
- Toilet facilities are by the Frankel statue.

Please do contact William (07812 961176) or Anthea (07837 559861) if you have any questions or if we can be of any assistance.
