

# Keep Our Workplace Safe!

*Racing2Combat COVID 19*

## Trainer : I will

Enhance our cleaning regime, especially for shared equipment

Encourage us all to follow best hand washing & hygiene protocol, and make supplies available

Ensure social distancing measures are implemented. This may impact your rota, breaks and access to the tack and feed rooms

Ensure that despite temporary staffing measures in place, this will be a safe environment for you

Listen to any concerns you have regarding your H & S and mental health at work

Keep you informed about how the business is doing at this difficult time

## Employee: I will

Take responsibility for my personal hygiene & conduct to protect me and my team

Not socialise with family or friends I don't live with

Support the health & wellbeing of my colleagues by noticing and helping anyone who is struggling with their physical or mental health

Take responsibility for my own health and well being

Tell my employer of any ideas I have to improve health and safety including mental wellbeing and safeguarding for me and my colleagues
